

## **St John Paul II Prayer Group**

A group of parishioners have formed a Prayer Group under the patronage of St John Paul II, using a private WhatsApp group. We pray for one another's prayer intentions, including those of our families, friends and of the parish, and for both urgent and longer-term needs.

We have prayed throughout the period of lockdown for all needs, fears and concerns we have heard about. We have encouraged each other in prayer. We have rejoiced and thanked God together in good news of His generous mercies and grace.

If you have an intention you would like the group to pray for, you can email it to [engmardidcot@gmail.com](mailto:engmardidcot@gmail.com)

The group welcomes new members: please email [engmardidcot@gmail.com](mailto:engmardidcot@gmail.com)
