

## Pope Leo XIV: Lent as a time of conversion

The Holy Father Pope Leo XIV has issued

his message for Lent 2026 on the theme:

“Listening and Fasting: Lent as a Time of Conversion”.

**Listening and Fasting: Lent as a Time of Conversion**

Dear brothers and sisters,

Lent is a time in which the Church, guided by a sense of maternal care, invites us to place the mystery of God back in the center of our lives, in order to find renewal in our faith and keep our hearts from being consumed by the anxieties and distractions of daily life.

Every path towards conversion begins by allowing the word of God to touch our hearts and welcoming it with a docile spirit. There is a relationship between the word, our acceptance of it and the transformation it brings about. For this reason, the Lenten journey is a welcome opportunity to heed the voice of the Lord and renew our commitment to following Christ, accompanying him on the road to Jerusalem, where the mystery of his passion, death and resurrection will be fulfilled.

### Listening

This year, I would first like to consider the importance of making room for the word through listening. The willingness to listen is the first way we demonstrate our desire to enter into relationship with someone.

In revealing himself to Moses in the burning bush, God himself teaches us that listening is one of his defining characteristics: “I have observed the misery of my people who are in Egypt; I have heard their cry” (Ex 3:7). Hearing the cry of the oppressed is the beginning of a story of liberation in which the Lord calls Moses, sending him to open a path of salvation for his children who have been reduced to slavery.

Our God is one who seeks to involve us. Even today he shares with us what is in his heart. Because of this, listening to the word in the liturgy teaches us to listen to the truth of reality. In the midst of the many voices present in our personal lives and in society, Sacred Scripture helps us to recognize and respond to the cry of those who are anguished and suffering. In order to foster this inner openness to listening, we must allow God to teach us how to listen as he does. We must recognize that “the condition of the poor is a cry that, throughout human history, constantly challenges our lives, societies, political and economic systems, and, not least, the Church.”

### Fasting

If Lent is a time for listening, fasting is a concrete way to prepare ourselves to receive the word of God. Abstaining from food is an ancient ascetic practice that is essential on the path of conversion. Precisely because it involves the body, fasting makes it easier to recognize what we “hunger” for and what we deem necessary for our sustenance ... ## Affair of the Heart

am, Jesus (see 1 Corinthians 15:21–22; 45–59).

Paul’s argument in the Epistle is built on a series of contrasts between “one” or “one person” and “the many” or “all.” By one person’s disobedience, sin and condemnation entered the world, and death came to reign over all. By the obedience of another one, grace abounded, all were justified, and life came to reign for all.

This is the drama that unfolds in today’s First Reading and Gospel.

Formed from the clay of the ground and filled with the breath of God’s own Spirit, Adam was a son of God (see Luke 3:38), created in His image (see Genesis 5:1–3). Crowned with glory, he was given dominion over the world and the protection of His angels (see Psalms 8:6–8; 91:11–13). He was made to worship God—to live not by bread alone but in obedience to every word that comes from the mouth of the Father.

Adam, however, put the Lord his God to the test. He gave in to the serpent’s temptation, trying to seize for himself all that God had already promised him. But in His hour of temptation, Jesus prevailed where Adam failed—and drove the devil away.

Still, we sin after the pattern of Adam’s transgression. Like Adam, we let sin in the door (see Genesis 4:7) when we entertain doubts about God’s promises, when we forget to call on Him in our hours of temptation.

But the grace won for us by Christ’s obedience means that sin is no longer our master.

As we begin this season of repentance, we can be confident in His compassion, that He will create in us a new heart (see Romans 5:5; Hebrews 8:10). As we do in today’s Psalm, we can sing joyfully of our salvation, renewed in His presence.

Scott Hahn

In today’s Liturgy, destiny of the human race is told as the tale of two “types” of men—the first man, Adam, and the new Adam, Jesus
