Turning Concern into Action

The St Vincent de Paul Society helps to tackle poverty in all its forms through practical assistance. The essence of our work is person to person and telephone contact to help reach out to those in need. Please contact Father Phillip at 01235-812338 if there is anyway you can help or need assistance. <https://www.svp.org.uk/node/268>

## [What we do | St Vincent de Paul Society](#)

Our aim is to tackle poverty in all its forms through the provision of practical assistance to those in need.. The concept of need is broader than financial hardship, so visiting people who are sick, lonely, in prison, or suffering from addiction is also a significant proportion of our work.

During the COVID pandemic we have become aware of a high level of need across our local area and launched an appeal at the end of 2020. This has generated a lot of work to get practical assistance to a wide range of people and we would really appreciate your continued support, if you have items you no longer need or cash you could donate please keep us in mind. If you wanted to **donate** please transfer money directly to the bank account **St Vincent De Paul Society**, Account 46078231, sort code 60-60-04. Volunteers are also very welcome if you can lend a hand with these important works.
